

Personal Coaches at National Championships

Background

As our team size grows, personal coaches are a valuable asset at National Championships. To accompany the team, personal coaches must apply to Boxing BC in advance and understand that both they and their athlete(s) are part of Team BC at all times.

Policy Statement

- Applicants must have been registered coaches with Boxing BC for a minimum of 60 days prior to application.
- Requests to attend National Championships must be submitted to the Boxing BC office no later than 30 days prior to team departure.
- Not all applications will be approved.
- All applications will be reviewed by a committee and successful applicants will be informed as soon as possible.
- Personal coaches will be required to sign a Boxing BC Personal Coach Contract and return it prior to departure.
- All travel and related expenses are self-funded.
- The Team BC Head Coach and coaching staff will represent the athlete in all situations requiring an agent.
- Personal coaches may work with the team during activation, warm-ups, training sessions, and cornering, or may remain uninvolved.
- All athletes are members of Team BC at all times and are expected to participate in all team functions.
